### **Family Thieves Arrested After Crime Prediction**

**Marco Price**

**Noah Owen**

Deputies say data from the Sheriff's Office Crime Analysis Bureau led to the capture last week of a man and his nephew who stole patio furniture from a southeast Shelby County home.

Each day, crime analysts report the type, day of the week and time various crimes occur in neighborhoods patrolled by Deputies. Being that the overall crime rate is higher in southeast Shelby County than other crime districts, undercover Deputies in the Sheriff's Office Patrol Crime Response Unit had parked on Long Creek Road last Friday morning to watch for suspicious activity.

As the data predicted, Deputies watched as a Dodge pickup truck backed into the driveway of a home in the 4000 block of Long Creek about 9:30 a.m.

Noah Owen, 47, and his nephew Marco Price, 28, jumped out and then took patio furniture from the backyard and loaded it onto the truck. As it pulled away, the undercover Deputies notified their partners who stopped the truck in the 7400 block of Barnstable.

Within minutes of the theft, the stolen furniture had been returned to the owner and the suspects taken to jail. Both Owen and Price were charged with Theft of Property \$500-\$1,000.
